YOUR PRICE

What Pecasa publishes for this design, and what your written quote adds.

Your price, including VAT

£28,109

Pecasa's online estimate for the standard Levno at 4.8m × 3.4m. Checked on pecasa.co.uk in October 2026.

INCLUDED AS STANDARD

- SIP walls, floor and roof (EPS70 insulation)
- Radix ground screw foundations, subject to ground conditions
- EPDM roof
- Cortizo aluminium doors and windows in the standard design
- External cladding in your choice of finish
- Plasterboard walls with a tape-and-joint finish
- 12mm premium laminate flooring
- Lighting and electrics designed to your requirements
- VAT

IN YOUR WRITTEN QUOTE

- Decking: 1m deck along the front, Anthracite Wood Grain (upgrade)
- Kitchen: Kitchenette: White units, Rocks Alicante worktop, bar handles (upgrade)
- Electrical supply connection to the building
- Site clearance, water and drainage, skips and parking permits, if needed

This is not a written quotation. Pecasa confirms your specification, current prices and any site costs in a written, VAT-inclusive quotation, normally within 7 days of your free survey; quotations remain valid for three months.

PLANNING

Your design is 2.77m high. In England a garden room within 2m of a boundary must be no more than 2.5m high to fall within permitted development; Pecasa advises at your survey.

YOUR NEXT STEPS

From your design to your garden room.

- **Made in our Watford factory**
  Pecasa manufactures its own SIP panels in Watford and installs with its own team.
- **Installed in 10 working days**
  Guaranteed for rooms up to 16m² from the start of work on site, subject to specification, access and weather.
- **120+ garden rooms since 2017**
  Garden rooms, offices and annexes across London and Hertfordshire.
- **10-year IWA insurance-backed warranty**
  On qualifying projects, subject to registration and policy terms.
- **Free survey and 3D design**
  Usually 10 to 30 minutes at your home, with a written, VAT-inclusive quote normally within 7 days.
- **Made in Britain member**
  A member of Made in Britain since January 2025.

1. **Book a call**
   Talk through your design, your garden and your budget with Pecasa's design team.
2. **Free survey**
   A Pecasa surveyor visits, measures your garden and checks access. It usually takes 10 to 30 minutes.
3. **Your free 3D design and written quote**
   A VAT-inclusive quotation, normally within 7 days of your survey, valid for three months.
4. **Made in Watford, installed by Pecasa**
   Rooms up to 16m² are installed within 10 working days of starting on site, subject to specification, access and weather.
