A VISUAL GUIDE, NOT A CONSTRUCTION DRAWING

Dimensions show the overall external room envelope. Roof overhangs and decking are excluded. Furniture and opening sizes are illustrative. Final layout, glazing, services and overall height are confirmed with Pecasa.

THE PECASA FEEL

More than extra space.

Authentic Pecasa project photography. Your chosen materials and final details will be agreed before your building is ordered.

03 / YOUR SPECIFICATION

A CLEAR STARTING POINT

This guide helps you plan your budget. Your selected design, finishes, options and site conditions are reviewed together before Pecasa confirms the complete price in writing.

YOUR NEXT THREE STEPS

01

Talk it through

Discuss your design, garden, intended use and budget with Pecasa.

02

Review your site

Confirm access, ground conditions, services and final specification.

03

Receive your quote

Get a written quotation before deciding how to move forward.
